Dear David:

We are very pleased that you have engaged Arnold & Porter (the "Firm") to provide legal services to you in connection with formulating and implementing strategies to promote democratization and free and fair elections in Gabon. The purpose of this letter is to set forth our mutual understanding as to the basis on which our fees and related expenses will be charged with respect to this matter.

1. Fee Calculation. The Firm will charge you for professional services at our usual and customary rates for such matters. These charges will be based primarily on our standard hourly rates for services in effect at the time the work is performed. Our charges will include the time of attorneys and, where applicable, other professionals and paraprofessionals. You should be aware that our rates are reviewed at least annually and may be modified to reflect changes in our cost structure.

2. Reimbursement for Expenses. In performing this engagement, we may make disbursements and incur other internal charges on your behalf. These may include such items as charges for long distance telephone calls; express delivery and postage charges; duplicating charges; expenses associated with overtime work; travel and transportation expenses (including subsistence expenses while on travel); and any special computer, data processing, or similar expenses that are.

beyond the capacity of the Firm's existing system. We will bill you at cost for charges paid to third parties, and charges for internal services will be billed at the Firm's usual and customary rates for such services.

If, in the course of the engagement it is necessary for the Firm to arrange for the services of other outside counsel, experts, or consultants, or to incur other major expenses on your behalf, we will arrange to have the charges for such services or items billed directly to you, unless other arrangements are agreed to between us.

3. Statements for Fees and Expenses. On a regular basis, generally every month, the Firm will send you a statement covering our fee charges and expenses, providing all such reasonable detail as you may require. All such statements are due and payable within 30 days following your receipt of them. We understand that internal accounts payable processing may occasionally cause delays in the payment of our statements, and I am sure that you understand that undue delays in the payment of our statements increase our costs in providing legal services to all of our clients. For this reason, and in order to avoid burdening clients who pay our statements promptly with the costs we incur when others are late, the Firm reserves the right to impose an additional charge of 1 percent per month from the statement date if statements are not paid in a timely manner.

* * *

If you have any questions about the terms of the engagement, as described above, I hope you will feel free to raise them with me as soon as possible, and during the course of the engagement I would hope that you will feel equally free to raise promptly with me any questions you have about our statements. If the terms of the engagement are acceptable to you, I would appreciate it if you would sign and return to me the enclosed copy of this letter, evidencing your agreement to these terms.
